

Position Title:	Spiritual Care Coordinator
Role Type:	Fixed Term until 30 June 2021 (with a possibility of extension)
Reports To:	Statewide Programs Manager
Position Located:	Brisbane (Spring Hill)
Background	
<p>Palliative Care Queensland (PCQ) is a state-wide charity supporting all Queenslanders to live, die and grieve well. We have been operating for over 30 years and have more than 300 members.</p> <p>The organisation has a sector, advocacy and health professional focused arm with multiple programs including Palliative Care in Queensland and Connecting End of Life Care and key events including statewide palliative care education mornings and an annual Summit and Awards.</p> <p>The social, community and consumer arm of PCQ is Queensland Compassionate Communities (QCC) and has programs including Ambulance Wish Queensland, Volunteer Village and Connecting QCC and key events including the Good Life Good Death expo.</p>	
Position Purpose	
<p>This position will coordinate PCQs spiritual care activities by embedding the fundamental components of contemporary spiritual care - empathy, kindness, compassion and respect. This includes implementation of the Spiritual Palliative Care Project, which aims to develop and support capability in emotional support for people living with a terminal illness, and through the provision of advice to the Strategy and Policy Team on spiritual palliative care issues in order to inform strategy, policy and to raise awareness of spiritual care.</p>	
Benefits	
<ul style="list-style-type: none"> • Salary packaging benefits and Employee Assistance Program • A collaborative team environment that encourages new ideas and contributions • An organisation that promotes an inclusive culture, work-life balance, and flexibility • Brisbane office is located near public transport (near central station) 	
Main Tasks and Responsibilities	
<ul style="list-style-type: none"> • Develop and coordinate the Spiritual Palliative Care Project, including but not limited to: <ul style="list-style-type: none"> ○ Establish and support a statewide spiritual palliative care network ○ Work with stakeholders to identify gaps and opportunities, map existing spiritual palliative care services, supports and initiatives throughout Queensland ○ Draft frameworks, processes, procedures and forms to assist with standardising activities ○ Collate, monitor, record and report the issues, innovations and activities ○ Identify and/or create and disseminate best practice spiritual palliative care resources, tools and education materials for health professionals and community ○ Ensure project activities align with compliance and reporting requirements ○ Spiritual support to individuals and groups of people experiencing loss, ageing, dying and grief, by coordinating support groups (face to face and online) and provision of counselling, needs assessment and navigation ○ Lead the scoping, planning and provision of spiritual care training activities for the PCQ Volunteer Village, health professionals and the Queensland community • Work with the Strategy and Policy team to contribute to the development of submissions, positions and recommendations to strengthen spiritual care capacity and transform palliative care systems and supports in Queensland, including but not limited to the priority focus areas of: <ul style="list-style-type: none"> ○ Disaster preparedness and emergency response initiatives ○ The Queensland government response to the Parliament Inquiry into age care, end-of-life and palliative care and voluntary assisted dying 	

- Coordinate and participate in relevant advisory and working groups, and represent PCQ at various external forums where appropriate (travel may be required)
- Apply sound project coordination principles to complex, multi-stakeholder activities
- Support efforts and provide additional advice to other projects as a PCQ team member in line with the positions award
