

Palliative Care Queensland's policy guiding principles

Palliative
Care is

about the
whole
person

for the entire
dying journey

for every
age and
every stage

about the
community
of care

about
choice, autonomy
& dignity

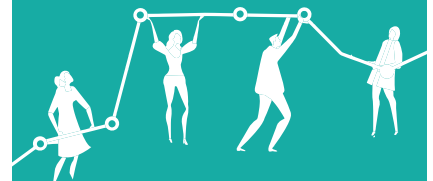

about
living

not
'one-size
fits all'

Everyone's
business

care for
the carer

a Human
right

Palliative
Care *It's more
than you think.*
